Young Scientists

2019 BLAVATNIK AWARDS

Program: Blavatnik Awards for Young Scientists in Israel

Categories: Life Sciences, Physical Sciences & Engineering, and Chemistry

Mission: Honor Israel's most outstanding and innovative young faculty-rank scientists and engineers

Awards: *Three Laureates*, US\$100,000 each in unrestricted funds, paid directly to Laureate, one in each category

Awards Ceremony on April 7, 2019, in Jerusalem, Israel

ELIGIBILITY

The nominee must:

- Have been born in or after 1977.
- Hold a doctoral degree (PhD, DPhil, MD, DDS, DVM, etc.).
- Currently hold a faculty position at an invited institution in Israel.
- Currently conduct research as a principal investigator in one of the disciplinary categories in Life Sciences, Physical Sciences & Engineering, or Chemistry.
- The Blavatnik Awards welcomes candidates from underrepresented groups in science and engineering.

LIMITED SUBMISSION

- Candidates must be nominated by their institution. Self-nominations are not allowed.
- Each institution may submit up to **nine nominations**, three in each disciplinary category of Life Sciences, Physical Sciences & Engineering, and Chemistry.
- Nominations must be submitted using the online nomination system.

NOMINATION MATERIALS

- Nominator's **Rationale for Nomination** (200 words).
- Nominee's **Curriculum Vitae** (4 pages).
- Nominee's **Research Summary** (1,000 words).
- **Full-text publications and/or patents** representing the nominee's work (up to 4).
- Names and email addresses for two letter writers.

EVALUATION CRITERIA

Nominees and their work as independent investigators will be evaluated according to the following criteria:

- **Quality:** The extent to which the work is reliable, valid, credible, and scientifically rigorous.
- **Impact:** The extent to which the work addresses an important problem and is influential in the nominee's field.
- **Novelty:** The extent to which the work challenges existing paradigms, employs new methodologies or concepts, and/or pursues an original question.
- **Promise:** Future prospects in the nominee's field and potential for further significant contributions to science.

QUESTIONS

This is a summary of the Blavatnik Awards for Young Scientists in Israel. Please read the 2019 Blavatnik Awards for Young Scientists in Israel Guidelines for complete details.
